"Each day 473,000,000 litres of water are saved around the world because people use portable toilets rather than a flushing toilet."

Satellite Industries is committed to providing our customers high-quality products and services at reasonable prices. We actively promote a corporate culture that encourages innovation and respect for individuals, society, and the environment.

I LAST LONGER THAN YOUR NEW CAR.

I'm made from durable plastic and I stick around for at least 15 years. That's longer than the average lifetime of a car. At the end of my life, I can be completely recycled. Pretty sustainable, hu?

HISTORY

- 2020 Opening of our new offices and warehouse in Poland
Tag 4: the next generation of handwash station
Handistand II: new hand sanitizer station
Eco Blue: the most eco-friendly deodorizer
Introduction of bulk soap & hand sanitizer, and their dispensers.
We moved Breeze I, Wave and Slimmate production to Europe for faster lead time.
Introduction of the Impact Base.
- 2019 Opening of our Italian office and warehouse
- 2018 Acquisition of Polyportables
Doubled the space again in Germany
Moved to a much bigger warehouse in the UK
- 2016 Launch of the revisited Maxim 3000
- 2015 Move of the German distribution centre and tripled the space
- 2014 Opening of our new Central Distribution Center in Bristol, US
Launch of the toilet trailers product line in USA
- 2012 Freedom 3: New ADA compliant wheelchair toilet
Breeze II: handwash station
New warehouse in South Africa
- 2010 Highrise: unit for high rise building construction
Handistand: hand sanitizer station
- 2009 Acquisition of the Hampel Global product line
- 2008 Acquisition of Thal
Release of new and improved Mondo front
- 2006 High Tech II: upscale unit with stainless steel flush bowl
- 2005 Acquisition of Synergy World:
High Tech 1, Taurus and World Care
New UV system: doubles life of roofs

- 2004 Acquisition of France Propreté Cleancab
- 2003 Liberty: wheelchair accessible toilet
Breeze: free-standing 2-person handwash station
Camel: 1135L holding tank
- 2000 Maxim 3000: first fully double-walled unit
Wave: free-standing 2 person handwash station
- 1996 Flush kit for squatting and sitting style toilet
- 1995 SRO: 6-man urinal unit
- 1994 Maxim 2000
Freedom: ADA compliant wheelchair toilet
Slimmate: foot-operated handwash
- 1990 First fresh water flush toilet with handwash
- 1987 Launch of the wheelchair accessible toilet
- 1980 First plastic front (twin sheet) without metal reinforcement
- 1972 Tufway: the first plastic portable toilet, at this time still with a wooden door.
- 1965 Our first recirculating flush toilet
- 1958 Al Hilde Jr. starts Satellite Industries with homemade wooden toilets

INTRODUCTION

Satellite Industries is the global market leader of products to the portable sanitation industry. We are a family-run company that has been serving customers in over 125 countries for more than 60 years.

SUPERIOR QUALITY & DURABILITY

Leading rental companies worldwide have chosen to put their trust in Satellite year after year for our commitment to offer top quality products and services. We actively work on improving our products to guarantee the most innovative, long-lasting and eco-friendly solutions that will contribute to maximise your business profitability.

Our German-made products with high-quality materials ensure maximum uptime, sticking around for at least 15 years. Furthermore, our portable toilets are fully compliant with all international standards (DIN, ANSI and CEN), and their variety matches all cultures, beliefs and customs around the globe!

PROXIMITY & LARGE PRODUCTION CAPACITY

Satellite has the world's largest portable toilet production capacity, offering a one-stop shop for toilets, deodorizers, service units, handwash stations and luxury trailers. Our internal manufacturing and qualified staff ensure a constant monitoring of the various phases of the production process to guarantee the quality of our products.

Our warehouses in Germany, the UK, Italy, Poland, Spain, Middle East, South Africa assure rapid delivery at a low price.

OUTSTANDING SERVICE & EXPERTISE

From our prior experience of 30 years in the rental sector and by listening to our customers feedback, Satellite constantly strives to provide products that are designed to both meet the operators needs and win over the end-users.

We know all there is to know about this industry. Our multilingual customer service representatives are ready to take your calls, and respond in a timely and professional manner to ensure your biggest satisfaction. Satellite's experienced sales team will act as real consultants to help and advise you on how to enter the rapidly expanding world of portable toilets, grow exponentially and maximize your profits.

RETURN ON INVESTMENT

Rewards for your trust in our deodorizer products

HOW DOES IT WORK?

- 1 For each euro spent on our deodorizer range you earn one point.
- 2 Accumulate at least 800 points and earn a free item.
- 3 Exchange your accumulated points for one item.

*Unused points expire after 3 years

TUFWAY

The Tufway toilet has been on the market for more than 40 years, perfected over time to withstand any rental conditions, whether on construction sites or at special events. The Tufway has won over thousands of customers and has therefore always been the best selling toilet in the world. Its price-quality ratio is unrivalled and even though it is one of the strongest models on the market, its light weight ensures easy handling.

MAXIM 3000

The revisited Maxim 3000 is a blow-molded toilet, with doublewalls and interlocking panels, creating a cabana with unmatched strength and durability. The fit and finish of the Maxim 3000 has also been improved by using 3 identical walls and a full base-to-cabana overlap, creating consistent alignment during assembly. The ultra-smooth walls with interlocking corners, create a beautiful exterior and interior surface that is simple to clean and maintain. An added benefit to end-users and operators is the new vent pipe, with built-in coat/purse hanger and shelf, conveniences not found in most standard toilets. That's because a Maxim 3000 offers more than a standard toilet.

Specifications

Dimensions (HxWxD): 2.29 m x 1.12 m x 1.22 m
 Weight: 85.8 kg

LIBERTY

NEW

The Liberty is a spacious, wheelchair accessible toilet that can also be promoted as a family sized toilet. It has a patented flat-floor system for easy wheelchair access and maneuverability. The new model comes with four exterior-mounted plastic handles that make positioning hassle-free and reduce hand fatigue with the wider hand grips, and form molded vents that increase air flow and eliminate replacing broken vent screens.

Specifications

Baby Changer

Additionally, we also offer further **accessories** such as: soap dispensers, towel dispensers, corner shelf, gender indicator, mirror, 4-roll toilet paper holder, solar light and solar fan.

FREEDOM

NEW

Re-engineered for added strength! New features include a vacuum-formed base, reinforced side panels, longer hand rails, moulded-in vent screens, plastic carrying handles, and a strengthened roof, door frame, closure and latch.

In impact tests, the floor and wall joints withstood a force twice as strong as previous designs without damage, and a bevelled exterior floor edge improves forklift access for easy moving. Other features are the plastic rust-free lift handles. The new roof is 50% stronger. Lastly, a new heavy-duty door closure provides added durability. When you add up all the new benefits and include our industry-leading limited 4-year warranty, the Freedom stands alone in quality and reliability.

HIGHRISE

The Highrise is a unique portable toilet. With its very narrow width and low height, it fits into all freight elevators and other narrow passages. The standard sealed, greaseable wheels will make it roll through the worst dust, while the optional retractable roof will offer users complete privacy. Have the Highrise in your rental fleet and a whole new market will open up for you!

Specifications

COLD SHOWER

FREE
with 15 000
ROI points

The mobile, economic cold water shower cabin impresses both rental companies and users and is already being used on beaches, lakesides and camping sites across Europe. The shower head can be adjusted manually, from a powerful massage jet to a soft normal spray.

Available as **Tufway** and **Mondo**.
Colours and dimensions: same as chosen model.

Specifications

Weight: 121 kg

DEODORIZERS

Safe-T-Fresh toilet deodorizers and cleaning products are used by portable toilet operators in over 115 countries around the world to maintain their toilets, trucks and hand wash stations. As the industry leader, we provide fragrant, safe and effective deodorizers and cleaning products that control odors instead of masking them, delivering a long lasting freshness.

Our internal manufacturing and qualified staff ensure a constant monitoring of the various phases of the production process - a testament to the quality of our products.

SOLID DEODORIZERS

QuickScents sachets are a fast, fresh and easy way to service your portable toilets. Each packet has a long lasting fragrance and powerful blue dye. Its Triple Molecular Technology in a tiny sachet offers odour control and simple cost management.

QuickBlue™ is the first dual-film effervescent packet that dissolves in brine. This extraordinary, patent pending process combines PVA film with a paper back to produce a dynamic deodorizer for events and cold weather.

QuickScents and QuickBlue product range now comes in a convenient unique pack: the **QuickPackets!**

Eco Blue is a revolutionary, fully biodegradable new packet with no hazardous materials (biocide and bacteria free) that doesn't sacrifice fragrance or deep blue color, and provides a refreshing lavender scent at any temperature.

URINAL PRODUCTS

- Urinal blocks
- Urinal cleaner
- Urinal screens

LIQUID DEODORIZERS

Concentrated liquid portable toilet deodorizer that delivers superior odour control. The long-lasting deep blue dye is non-staining so your hands stay clean. Its active ingredients makes it powerful and economical. Contains no formaldehyde.

TOILET TRAILERS

Selfie
SLIM

This go-anywhere, do-anything trailer is designed for those who want "their own space". A place to get away from the crowd and freshen up... in private. It offers you all the comfort as your home bathroom but in a transportable size.

Its competitive price doesn't sacrifice on excellence. We use top quality materials and craftsmanship to build our trailers.

The Selfie Slim has two private bathrooms, each with a flushing toilet, sink, counter top, mirror and bright, ambient lighting. It can operate all day with fully recharged batteries and a full fresh water tank.

Specifications

- Number of toilets: 2
- Length: 4030 mm
- Width: 1670 mm
- Width with steps: 2220 mm
- Height without airconditioning: 2795 mm
- Weight: 1160 kg

URINALS

FREE
with 20 000 ROI points

Accommodating up to 4 people at once, it avoids big queues and increases the waste capacity without the need of transporting additional toilets to the event site. An added advantage is that your other event toilets will stay cleaner for a longer period of time during the event.

URICLEAN

This portable urinal can accommodate three users at once and be connected to a drain. With its heavy-duty lifting ring, suitable for lifting it with a full tank, it can be transported easily from site to site.

Combine the Uriclean with your portable toilets during events, as many other operators do. More and more towns now require its use in order to prevent urine damage to public or historic buildings. Its price beats all competition, perfect as a long-term investment.

DIMENSIONS (H X Ø): 2,09 m x 1,20 m
EMPTY WEIGHT: 79 kg
CAPACITY: 374 L (1250 uses)

4MEN

The 4Men meets all men wishes when it's about using a portable urinal at an event. The time where it was not easy to handle the drinking glasses is over. Indeed, the 4Men has been built with specific places to put the drinking glasses to offer a more pleasant experience to the end-user. Easy-to-maintain and easy-to-transport, the two halves can be separated and nest into each other, allowing up to 5 4Men per pallet. Finally, offer more privacy to the end-users thanks to the screens that you can fix on the top of the urinal (optional). Customize the colour with a minimum order of 30 pieces.

DIMENSIONS (HXWXD): 1,61 m x 1,12 m x 1,12 m
HEIGHT WITH PRIVACY SCREENS: 1,80 m
DRY WEIGHT: 40 kg
CAPACITY: 400 L (1333 uses)

With privacy screens

AVAILABLE IN EUROPE ONLY.

ROLLY

A standard-sized toilet may not fit in an elevator, but workers on the top floor still need a toilet. This rolling urinal provides a great solution to the problem. Made from durable and lightweight materials, the Rolly can be easily moved from floor to floor, wherever workers need it.

DIMENSIONS (HXWXD): 1,06 m x 0,40 m x 0,40 m
WEIGHT: 9 kg
TANK CAPACITY: 45 L (150 uses)

REMOVABLE TANK

Designed to use in too small spaces for one of our full-size toilets, for example on the first or second floor of a building or other hard to reach locations, or inside toilets containers or toilets with removable tanks. Our **removable tank** is easy to move because of the hand grips.

DIMENSIONS (LXWXH): 0.58 m x 0.70 m x 0.48 m
WEIGHT: 7.5 kg
TANK CAPACITY: 132 L

HOLDING TANK

This mobile holding tank can be used as a waste water tank or as a fresh water tank to ensure a longer lasting fresh water supply. Also useful as temporary storage to limit your amount of visits to the sewage treatment plant. With two internal pillars and thickened corners, the Camel tank can be stacked 6 high when empty. All fittings are molded, plus the tanks can be connected end-to-end with rubbers. All connectors are sunk in to guard against breakage.

DIMENSIONS (H X W X D) 0.44 m x 1.35 m x 2.44 m
EMPTY WEIGHT: 59 kg
CAPACITY: 1135 L

TOILET MOVER

Move any type of portable toilet easily with this lightweight, steel framed **trolley**. Tilt the trolley upright, slide the two steel rods under the toilet base and tilt backwards. The toilet is held firmly in place and rests safely on four tires for added support and equal weight distribution. The Devil works on all portable toilets, even the large ones for handicapped users.

Protect your equipment from damage and your employees from injury.

SOLAR FAN

Specifications:

FAN SPEED: 2500 RPM
MAX AIR FLOW: 32.99CF/m
NOISE LEVEL: 27dB
OVERALL SIZE: 200 x 83 mm (diameter x height)
INSERT TUBE: 82 x 58 mm (diameter x height)

Operation mode:

- When the sunlight is over 40,000 lux, the vent will work nonstop.
- When sunlight is approx. 8,000 lux, the vent will work 45 sec. after 4 minutes charging approx.
- The charging time will be shorter if sunlight is brighter.

SOLAR MOTION SENSOR LIGHT

This solar light is specifically designed for portable toilets. The light is inserted through a cut-out hold in the roof from above, leaving the solar panel exposed. A rubber gasket ensures that the fitting remains watertight. The light is secured to the toilet structure by a back-nut with a motion sensor, which will turn the light on when movement is detected inside the toilet, and off when there is no further movement. The light is also fitted with a day/night sensor so it will not turn on during the day.

- 5 Super Bright LEDs emitting 35 lumens
- 1.2V NI-mh 900mAh rechargeable battery
- 2V100mA solar panel with built-in day/night sensor and overcharge protection
- Motion sensor with 100-degree angle 5-m activation zone
- Lighting time: the light will remain on when detecting movement and turn off after no movement for 40 seconds
